Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The IDS filed on 09/29/2006 has been considered. The statement on the Office action dated on 03/16/2007 regarding IDS is replaced by this communication. The references 03 and 04 teach a composition comprising berberrine for treatment of morphine-induced rational response, which is distinct from the current claims of development of tolerance to analgesic effects of morphine.
